Fleming Developments UK Ltd join our client base

March 2008

Exemplar Projects are pleased to announce the addition of another major client to their current client base. Fleming Developments UK Ltd, a subsidiary of Cork based Irish property and construction group Fleming and the market leader in Offsite Manufactured Development have employed Exemplar to provide construction management services to a prestigious 66 unit affordable housing scheme in Poplar, London.

Malcolm Ward, Exemplar's Managing Director, commented that he was delighted to be involved with such a forward thinking and innovative company as FDUK. " FDUK's factory built modular system is a fantastic product that leads the market and their vision for its use in UK and global markets is extremely exciting. Hopefully our involvement with the Poplar scheme will be the start of a long lasting relationship between the two companies and Exemplar can assist in the delivery of this vision over the coming years"
